Christmas Craft Club

Mrs Day will be running her very popular Christ Crafts Club after half term. This will be run on Tuesdays from 3:20pm to 4:15pm. Children from Y1, Y2 and Y3 are very welcome to attend.

Please let Mrs Day know if you would like to participate contact: aday@stmarys-kl.cumbria.sch.uk

There will be 7 sessions beginning on Tues, 1st November.

This Week:

Book Week – Celebrating Roald Dahl. Each class will be exploring one of Roald Dahl's books and we will be dressing up on Thursday. Please remember we will also be hosting the PTA film night straight after school on Thursday.

Inter-house Netball

KS2 Inter-house Netball Competition (Wed/Thurs) – Children will be either taking part or supporting their house this week in addition to the excitement of book week.

Well done to our Year 6 children who have been working on Level 1 and Level 2 Bikeability training this week. It is never convenient for parents to drop off bikes, so we do appreciate the effort parents have made. It is a great opportunity to equip our children with the skills to become more independent and safe on the roads so congratulations to everyone who worked so hard to balance, signal and be safe on the road. The instructors were very impressed with our children so well done to everyone!

Inter School Cross Country

We were able to take various children to Sedbergh Prep for the Inter school cross country with various prep and local primaries competing. The children performed superbly both individually and as teams. Well done to everyone who took part. The children were also able to sport new running tops, very generously sponsored by one of our families. Thank you! I am very proud of the valiant efforts of all of our athletes and congratulations to Charlie B (1st) and George M (3rd) who achieved medal places in their races. Isaac M came 4th in his event and all of our girls all ran superbly too with Sophie C and Isla F coming in first out of the girls in our teams. – we will share photos and pictures next week!

We have various music opportunities throughout school and at various times throughout the year. However if you would like your children to try and learn an instrument we have various peripatetic music teachers working in our school. Please see our contact sheet to discuss costs and arrangements.

Thank you – Metal and Material

Many thanks for the contribution of metal and material which is very much appreciated. We have created some lovely sculptures. We have also created a little store of any extra pieces in our art store for future sculptures. Here are a few pictures of the creations so far...

Word of the Week:

Can you fit this great word into a sentence or two this week? It would be great if our children used it in conversation or their writing this week.

bailiwick

1. a person's area of skill or knowledge,

What is your bailiwick?

Have a fantastic week.
