## Snow White Panto

The children have been learning about story writing last week and have had a super opportunity to watch the Snow White Pantomime. Thank you for contributing towards this; we have funded this with school funds in part and your donations were very much appreciated.

The panto was amazingly well done and the children really loved the interaction and retelling of this story. All of the children have been writing based on this story in different ways. I hope the children told you all about the Panto – it was really funny!

## Spelling Bee

The week has arrived to brighten up January. Yes, it is our annual Spelling Bee – a chance for everyone to learn new spellings. It is also a chance to try to demonstrate your spelling skills in a supportive and fun environment.

Everyone should have received their list which reflects where the children are with their spellings and to stretch the children to learn the spellings expected in their year group.
