

Every day is exciting. No day is the same! The children are the best in the whole wide world and the grown ups are not too bad either! I enjoy seeing your little faces every morning with something exciting to tell me or show me. I enjoy being part of the Kirkby Lonsdale community.

### guilty Pleasure:

Eating my children's Easter eggs (well, any chocolate they leave around the house!)

### Random Fact: I support

Tottenham Hotspur and a few years ago stayed in the same hotel as the team in Portugal and watched their pre-season training through a bush!

ST MARTIN'S COLLEGE

I went to Helling Primary School and then to QES with lots of your Mums and Dads!

I attended St Martin's University in Ambleside and studied Primary Teaching specialising in Early Years.

Swimming biking (on my new bike!), aerobics, boxercise, reading, walking on beaches or up hills, Spa days, gossiping with my friends and shopping.
