

I love working at St Mary's no two days are ever the same! The children always impress me, no matter what we ask of them they always step up to the mark. The staff all get on well and enjoy a laugh. It never feels like 'work'

# Mrs Mason

Started St Mary's - 2005

**Guilty Pleasure:**

Listening to cheesy pop songs

**Random Fact:**

I had poem published when I was in secondary school as part of a competition for the Ingleborough poetry festival

Mrs Mason attended Sedbergh Primary then Settlebeck High school and finally Kendal college.

I enjoy Zumba, reading and socialising with friends.
