

'St Mary's - it is so inclusive and the children make me smile!'

Mrs Rickart

BSc. Cert/Dip SPLD

Started St Mary's - 2019

Guilty Pleasure:

I'll own up to Toblerone!

Random Fact:

I played the trombone in my school orchestra.....never since!

Mrs Rickart went to school on the Wirral and she read Speech and Language Pathology and Therapy from Manchester University (BSc.) and then went on to study a Post-Graduate teaching qualification in Specific Learning Difficulties from the University of York.

She began by working for the NHS in a head injury unit and special schools. Then, worked in mainstream schools as a specialist teacher and Senco. More recently she has worked as a teaching assistant and loves it.

I love time outside - walking and gardening, making things - sewing and painting.... and am a bit of a book-worm. I'm not sure how it's happened, but our 3 children are all grown up now!
