

'St Mary's is a warm, friendly and welcoming school and has high standards of work and behaviour. Both staff and pupils alike are a joy to work with.'

Mrs Thomas

BA(Hons) PGCE TESOL

Started St Mary's - 2013

Guilty Pleasure: Rum and raisin dark chocolate and milk /white chocolate buttons. Having a manicure or pedicure.... or both! Mr Thomas does not understand!

Random Fact: When I was a lot younger, I used to have 2 snakes called Rolf and Sammy. They were bred in captivity, but I would never keep snakes again as I don't think it is fair. They should be wild!

Mrs Thomas went to York College of Art and Technology studying Art Foundation she then attended Manchester Metropolitan University reading English and History. She gained her TESOL at Trinity College, her PGCE at Sunderland and gained QTS at Cumbria University. Mrs Thomas has been on the graduate management scheme at Mothercare Ltd, an Occupational Therapy Technical Instructor for the NHS and an English and Primary Teacher in schools overseas.

I enjoy gardening and cooking. I also like to exercise which usually takes the form of hill walking, Pilates and swimming. I love listening to music, reading and used to paint. This is something I plan to take up again but requires a lot of TIME.
