Mrs Wadsworth

Started St Mary's - 2019

Guilty Pleasure:

Overexcited dancing at weddings!
Come on Eileen....

Random Fact:

I've taken a Spice Girl to the toilet
(well a porta loo in the desert!)

After attending King Richard School in Cyprus (GCSEs), Mrs Wadsworth then went to Chichester College (A Levels) and read Sociology at University of Sussex and then University of Cumbria (PGCE).

Mrs Wadsworth did many jobs before St Mary's including, teaching assistant, House Mistress at International schools, nursery nurse, full time mummy, British Army Officer, Nordic ski instructor, waitress...

'I like anything active, especially with my family. Running, walking, skiing, dancing, biking... Family bike packing holidays are currently top of my 'favourite thing to do' list as I love adventures exploring wild, remote places. I've also lived in lots of different countries so love to travel.'
