

## Newsletter #10– Summer Term

Dear Parents,

What a busy term this is and continues to be. I would like to say a huge thank you to the staff and children in the Infants who pulled out the stops to produce a wonderful performance of 'The Bee Musical'. I would also like to thank you for your understanding regarding tickets – as you will have seen at the shows, we were limited for space and your understanding meant that we could accommodate all families.

As we prepare for junior productions, you will notice that we are equally limited for space as we are using the Lunesdale Hall. The Lunesdale Hall have been very generous in allowing us to use the hall however we will only be able to do three productions and there is less audience capacity. Please be mindful of this as we allocate tickets.

I am exceptionally pleased that we are able to do productions this year following a challenging few years. If the Infant play is anything to go by, the Junior play will prove to be very entertaining also. Many thanks to everyone who has helped with costumes and props for the play.

This Jubilee year has also seen the development of our new garden area for our children to enjoy, creating a space for our children to relax and be calm if needed. Thank you to everyone who has helped by providing plants and planting.

Please note, Cumbria has seen a significant increase in Covid cases once again. Be vigilant and mindful of this, if you or the children exhibit symptoms, please react swiftly to avoid covid spreading in school. In doing so, we can hopefully ensure the term ends well and ensures families, children and staff can start the summer break well.

On behalf of myself and Governors would like to thank both staff, children and parents for your contribution to a very busy and exciting year. As we move to the last week and a half of the school year, I would like to say that we are so grateful for your support as we try our very best to deliver an exciting curriculum.

Hoping you have a wonderful final eight days in school.

Yours,

Mr Jones

**Monday 11<sup>th</sup> July**

As our Y6 children attend their move up day at QES on Monday, we will be having our move up day on Monday morning. This will be a chance for children to go to their class with their class and any new children starting in school.

This week, we have made a small adjustment to the Year 4 and 5 class for next year. Mrs Arnold will teach in Y4 and Mrs Thomas (Thurs/Fri) will now join Mrs Smith in Y5 (Mon-Wed).

## Uniform Costs - Support

**Grants of £500 available to support 'return to school' expenses**

Nobody should have to worry they can't provide their children with their kit for school. Call our team to start the process of making an application for our 'return to school' grants of £500 for each child under 18 to help cover the costs of start-of-term essentials.

Dear Parents,

As you will be aware if you or your child has had covid this year, it has continued to be a disrupted year for our children. Despite this, we have begun to get back to an increasingly normal year. It has been wonderful to be able to facilitate residential visits and day trips for our children which have really enriched the children's learning and experience. Equally, we have been required to participate in statutory assessments this year.

With this in mind, the children have been taken part in various assessments in Reception, Year 1, Year 2, Year 4 and Year 6. Individual results will either have already been shared or will be shared in the end of year reports. As a school, we would like to share the following provisional headline data with you.
