7 Nasal Flu Vaccination	8 HARVEST in School (Changed from Monday)	9	10	11 Home Learning Projects in today
14	15	16	17 Karate Experience (Juniors)	18 PTA Film Night

Dear Parents and Guardians,

This week we have welcomed Rachel into Year 3 who has arrived in our country recently and has been welcomed by Year 3 and the rest of year the school with open arms. Thank you for making her start at St Mary's a positive one.

Bags to School

As the leaves begin to change colour and we dive headfirst into autumn, I want to take a moment to express my heartfelt thanks for your generous donations of clothing for the PTA's Bags2School initiative. Your contributions not only help declutter your closets but also support our school community in meaningful ways. Thank you to all of the PTA members who were able to help organise and volunteer to sort the bags.

Cross Country

A big shout-out is also in order for our cross country teams who showed remarkable effort and determination at the Sedbergh Prep Invitational! Their running was so impressive that I half-expected them to take flight. Whether they sprinted to the finish line or had to dig deep on the slopes, their sportsmanship truly shone. We are very proud of our budding athletes! We managed to come 5th out of 16 schools so very well done!

Harvest

As we approach Harvest time, we're gearing up for our food bank drive! We will be taking a few minutes to be grateful what we have and reflect on how we can help others in particular need. This Tuesday, we invite all children to bring in non-perishable food items. Let's show the community our school spirit by gathering food that will help those in need during the autumn and winter months. Remember, no one needs a hundred cans of baked beans—unless you're hosting a secret bean party, in which case, please invite me!

"The more you practice the art of thankfulness, the more you have to be thankful for." Norman Vincent Peale

Home Learning Projects

And let's not forget about those exciting Home Learning Projects! This Friday, we're looking forward to seeing the creative masterpieces your children have been working on since those project sheets magically appeared in their book bags. Whether it's a diorama, a poster, or even a Victoria sponge, we can't wait to celebrate their hard work!

Donations of Games for the Games Library

Thank you for your recent donations of good quality puzzles and games which are being collated for our games library. If you haven't donated and you would like to donate a puzzle or game, please hand these to the office for Mrs Hutchinson to share with the children and families in the school.

School Drive

Just a polite reminder to ensure we keep the traffic flowing on our school drive and ensure parents and children can leave school safely and quickly.

Certificates this week

This week we were able to celebrate so many children who have put a lot of effort into TT Rockstars and Doodlemaths this week. Thank you for encouraging your children with their maths especially if they find maths tricky.

Thank you for your continued support and enthusiasm. Together, we're making this a fantastic school year.

VACANCY

Catering Assistant – Lancashire Catering Services
