Dear Parents,

This is a very short newsletter this week.

Thank you to all of the families who have made Home Learning Day one of the best ever. The quality of the learning has created a wonderful atmosphere and many of children have been able to articulate their input into their learning. The projects enhance the topic of the term and the children have been so enthusiastic. I can assure you that your child’s learning is really improved by taking part in home learning day.

As you can see above, the juniors are having an opportunity to explore karate as a ‘try a sport day’. The junior classes (3-6) will need to be in PE kit on Thursday.

I hope lots of children will be able to stay after school on Friday for the PTA FILM NIGHT. More information about booking on Monday!

Just to remind any families whose children want to come to Cross Country Club on Wednesdays, children don’t need to book but do need spare changes of clothes/footwear as it can be wet and muddy.
