PART 1 - SINGLE EQUALITY SCHEME

1. Aims of the Single Equality Scheme

- To describe this school's commitment to equality throughout all policies and practice.
- To help us ensure that everyone who belongs to, or comes into contact with, our school community is valued and respected.
- To promote equality of opportunity and eliminate unlawful discrimination, harassment or victimisation.
- To comply with statutory duties under equalities legislation in one document.

2. Purpose of the Equality Scheme

To comply with our legal duties under the Equality Act 2010 (see Appendix A), our Scheme describes how we are trying to systematically set and implement good practice in equality and diversity as follows:

- Develop and review the SES and our objectives with appropriate timescales for the future;
- Eliminate discrimination;
- Eliminate harassment or victimisation related to any aspect of social identity or diversity;
- Promote equality of opportunity;
- Promote positive attitudes to all aspects of social identity and diversity;
- Encourage participation by people with disabilities and people representing different aspects of social identity in public life;
- Take steps to take account of difference even where that involves treating some people more favourably than others;
- Take proportionate action to address the disadvantage faced by particular groups of pupils, employees, or other members of the school community like pupils' parents or carers.

3. Planning to Eliminate Discrimination and Promote Equality of Opportunity

Part 3 of our Scheme is an Action Plan which identifies what we will be doing over the coming year and beyond to make our school more accessible to the whole community, irrespective of background or need. We prepare this plan through consultation with key stakeholders including pupils, parents & carers, governors, staff, and others in the school community.

We also have an Accessibility Plan which specifically focuses on how we will improve equality of access to education for pupils with disabilities, to work for employees with disabilities, and to work or a family life for visitors and other members of our school community with needs that we must make reasonable adjustments for (reasonable and proportionate steps to overcome barriers that may impede some people), alongside other protected groups. We publish them together because they overlap and we want to make sure we are meeting our duties to promote positive outcomes in relation to disability, *and* actions to address other social identities.

Progress towards the Objectives in Part 3 and the Accessibility Plan is reported on regularly to the Governing Body and reviewed annually. Part 2 of our Scheme is an annually updated Information Report about diversity in our school and how we are doing against our Equality Objectives.

We take steps to ensure our Single Equality Information Report (Part 2) and our Objectives (Part 3) are understood and implemented by all staff and are published on the school website. It will be made available in different formats and in different languages on request to the school office.

- make efforts to ensure the diversity of our workforce reflects our local community and wider society;
- not enquire about the health of an applicant or require them to complete a generic health questionnaire as part of the recruitment process until a job offer has been made unless the questions are necessary to find out if an applicant needs reasonable adjustments to access the recruitment process fairly (such as for an assessment or interview), or when the question relates to a person's ability to carry out a function that is intrinsic (or absolutely fundamental) to that job e.g. a PE teacher who must also be able to perform all aspects of first aid including resuscitation;
- ensure the safety and well-being of our staff and take seriously and act on incidents of harassment, discrimination, or victimisation recognising that our staff may be either victims or perpetrators.

- empower staff to raise any concerns with SLT about their health, safety and welfare by having clear procedures and promoting wellbeing strategies among staff.

The Quality of Provision – Curriculum and Other Activities

To provide an appropriate curriculum for pupils of all backgrounds we will:

- monitor and evaluate its effectiveness through target setting and attainment analysis;

Behaviour and Attendance

We expect high standards of behaviour from all pupils appropriate to their age or stage of development, all staff and from others who work with or connected to school

Through our school ethos and curriculum, we want our pupils to understand better diversity in society. We want to provide opportunities for them to explore the subtleties and complexities to prevent and respond to incidents and situations. We will address the experience, understanding and needs of the victim, the perpetrator, bystanders and the wider school community through our actions and responses.

To ensure that the Whole School Behaviour Policy and associated policies are equitable, we:

- have procedures for disciplining pupils and managing behaviour that are fair and applied equally to all and we expect all staff to operate consistent systems of rewards and sanctions;
- recognise that cultural background and disability may affect behaviour and we take this into account when dealing with incidents of unacceptable behaviour;
- recognise that hate incidents or prejudice-based bullying behaviour is driven by negative assumptions, stereotypes or misinformation (directed against an individual or group, based on real or perceived difference, and linked to racism, homophobia, ableism, sexism etc.) and we will act to prevent, challenge and eliminate such behaviour;
- have clear anti-bullying procedures in place to record, monitor and deal promptly, firmly and consistently with all incidents including cyberbullying, sexting and other forms of harassment and victimisation, especially related to racism, ableism, sexism and homophobia;
- ensure that all staff are trained to deal effectively with bullying of all types, racist incidents, racial harassment and prejudice and are offered support in handling such matters;

- have strategies in place to reintegrate long-term non-attenders and excluded pupils, which address the needs of all pupils;

- fully support children with long-term medical needs who may have an erratic attendance because they are in and out of hospital or not well enough to attend school on a regular basis;
- expect full-time attendance of Traveller and Gypsy pupils whilst they are on the school roll.

Partnership with Pupils, Parents, Carers and the Wider Community

We have established good links with our local and wider community, and we engage in visits and we welcome them into our school. From them, we learn about equality issues outside school and can establish mechanisms for addressing them in school.

To help us understand diversity in school and sensitively promote participation in our Single Equality Scheme we will:

- involve all stakeholders including pupils, staff, parents and other users of the school in meeting our equality duties by providing information and asking for opinions and support;
- ensure that school premises, grounds and facilities are equally available and accessible for use by all groups within the community
- take into account the preferred means of communication for those with whom we are consulting e.g. translated materials or interpretation facilities for people with disabilities or those for whom English is an additional language or who are newly arrived in this country;
- include representation from the widest range of relevant groups that we can reasonably achieve;
- monitor parental involvement and have strategies to raise the participation of under-represented groups of parents and sections of the community.
- Provide clearly written progress reports to parents that are free from jargon to encourage participation in their child's education (incl. in other formats/languages as above). Parents with a disability or with learning difficulties will be able to access school's information;
- fully involve parents and carers in plans for their child with special educational needs or disabilities and ensure they understand the purpose of any intervention or action plan and are told about the parent partnership service when SEND is identified;
- encourage participation of under-represented groups in areas of employment e.g. through work experience placements;
- ensure that any informal events we hold are designed to include the whole community and at times may target minority or marginalised groups;
- work in partnership with parents and the community to address specific incidents and to develop positive attitudes to difference.

Leadership and Management

We have a clear admissions policy and procedures which are in line with those issued by our Local Authority. To ensure our admission process is fair and equitable to all pupils and our employment practices reflect equality and diversity, we will:

- not discriminate against a pupil with disabilities in determining admission arrangements;
- admit pupils with already identified special educational needs and disabilities. Pupils with Education Health and Care Plans will always be admitted unless, through the statutory assessment process, it is demonstrated that we cannot cater to a child's specific needs through reasonable adjustments;
- gather comprehensive information about pupils' ethnicity, first language, religion or belief, physical needs, diet etc. either via the admissions form or at the admissions interview;
- adhere to recruitment and selection procedures which are fair, equitable and in line with statutory duties of the Governing Body
- take steps to encourage people from under-represented groups to apply for positions at all levels in the school and ensure recruitment and selection processes are monitored;

- ensure that everyone associated with the school is informed of the contents of this Scheme and that all staff and visitors must support the ethos of the school, promoting equality and challenging bias and stereotyping wherever they find it;
- ensure that staff training continually highlights equality issues, including in the induction programme for new staff or volunteers;
- recognise and value the skills of all staff, including non-teaching and part-time staff and ensure all staff are given status and support and encouraged to share their knowledge.
- ensure that staff handbooks and regular professional development activities are available for all staff members to support their practice in relation to this Scheme;
- ensure that resources and displays in our school reflect the experience and backgrounds of pupils, promote diversity and challenge stereotypes. They are reviewed regularly to ensure that they reflect the inclusive ethos of the school e.g. images of people from different equality groups, their prominence in displays at eye level etc.

Linguistic Diversity

We recognise and celebrate the linguistic diversity in British society. We look for opportunities to enrich the curricular experience of all our pupils by:

- highlighting how English has borrowed from other languages;
- raising awareness of the similarities and differences between English and other languages;
- reflecting the multilingual nature of wider society in our resources and displays;
- acknowledging the differences in syntax with non-spoken forms of English e.g. British Sign Language.

Sex and Gender Reassignment Equality

We are committed to combating sex discrimination and sexism and promoting the equality of women and men, and boys and girls.

We are also committed to ensuring the rights under the Equality Act of people undergoing gender reassignment (defined as applying to anyone who is proposing to undergo, is undergoing, or has undergone a process or part-process, for the purpose of reassigning their sex by changing physiological or other attributes). This means that in order to be protected under the Act, pupils or staff will not necessarily have to be undertaking a medical procedure to change their sex but must be taking steps to live in the opposite gender or proposing to do so. So far, the law has not acknowledged non- binary or genderless individuals, but we want to act appropriately to safeguard and include all members of our communities.

We will give due regard to the need to:

- eliminate unlawful discrimination, harassment, and victimisation on the grounds of sex or gender reassignment, including domestic violence, sexual violence, bullying, and exploitation;
- promote equality of opportunity between women and men in all our functions;
- recognise that society has stereotypes for both women and men, and both women and men can lose opportunities because of these stereotypes;
- be aware that staff with caring and domestic responsibilities may need to work part-time or flexible working hours;
- work in partnership with other agencies to eliminate sexual harassment, domestic violence and other hate crimes.

Admissions and Exclusions

Our admissions arrangements are fair and transparent, and do not unlawfully discriminate on protected characteristics or socio-economic factors.

Exclusions will always be based on our Whole School Behaviour Policy and we will:

- Closely monitor exclusions by sex, race or ethnicity, special educational need or disability, and background to avoid potential adverse impacts and ensure any discrepancies are identified.
- Take action to address any disparities we find between different groups of pupils;

- Take all reasonable steps to prevent the exclusion of a pupil for a reason related to their disability.

PART 2 – Single Equality Information Report Demonstrating compliance with the Public Sector Equality Duty

St Mary's CE School

1. Our School Profile

St Mary's School is a Church of England Voluntary Aided School. The number on roll varies slightly but ranges between 233-245 pupils. The roll of the school varies throughout the year due to an inward mobility during the academic year. The percentage of pupils receiving PPG is 3.75%, well below the national average. Within the school catchment families do experience rural deprivation which is not reflected in FSM or Pupil Premium Grant (PPG) statistics. St Marys has 2.9% of pupils with an EHC Plan (3.1% National) and an additional 16.25% receiving SEN Support (11.9% National).

Our pupils enter the school from private nurseries or other settings other than the home. The remainder enter school direct from home at reception age. As a result, attainment and maturity is wide-ranging. In order to address this inequality, we have worked closely with pre-school settings building in regular visits by members of our staff. In the term prior to starting school in September, all children who had applied to the school for a place were offered visits to the school. This allowed them to settle into the school environment and allowed the EYFS staff to get to know the pupils. There is a very close relationship between nursery and reception to ensure a smooth transition and there is excellent communication between staff.

Our catchment area takes in the villages of Kirkby Lonsdale and several other small rural villages, hamlets and isolated farms as part of the Rainbow Parish. The immediate area is relatively prosperous however there is a high level of rural poverty. 59% of pupils travel to school by car or bus as they don't live in Kirkby Lonsdale, some pupils travel up 22 miles to get to school. They are attracted to our school because of its reputation and its extended school facilities. We have a breakfast club which operates from 7.45 a.m. each morning and an after-school club which operates to 6.00 each evening.

We have a number of vulnerable groups including those with special educational and learning.

We are a Voluntary Aided School with a strong Christian ethos which develops the whole child.

When we are made aware of pupils who are joining the school with disabilities, we make arrangements to meet both the pupil and the parents and involve professionals from the Local Authority and the Health Authority in order to ensure that any adjustments required to the school building are made in readiness for the pupil starting school. The school fully ramped access and is level throughout the main building enabling access to any wheelchair users. One room has stair access which is typically used by staff or as a small withdrawal room for pupils if appropriate. Our reception and nursery area is accessible to disabled people. We have some outdoor spaces which do not have wheelchair access. We have one disabled toilet which also contains an adjustable changing bed for use by those pupils who need personal care whilst at school.

Less than 1% of our pupils have English as an additional language and 1% have Multiple First Languages.

2. Disability Equality Duties

Our commitment to achieving equality of opportunity for pupils with disabilities, their families, school staff, and other school users has a number of objectives:

We will promote equality for people with disabilities by:

- removing barriers to the accessibility of education, employment, services, information and buildings;
- encouraging good practice by our partners by giving relevant advice or instructions;
- ensuring we take their needs into account when procuring goods and services from our providers;
- promoting positive images of people with disabilities;
- challenging patronising or discriminating attitudes;
- making the environment as safe as possible for and challenging antisocial or bullying behaviour against, or harassment of pupils, staff or other school users with disabilities.

We plan to increase access to education for disabled pupils by:

- increasing the extent to which disabled pupils can participate in the school curriculum;
- increasing the inclusion of positive images of disabled people across the curriculum;
- improving the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services;
- improving the delivery of information to disabled pupils, to the standard of which is provided in writing for pupils who are not disabled;

We welcome the requirements of the Disability Equality duty and this section sets out our commitment to meeting the duty. Our Scheme shows how we promote disability equality across all areas of the school, to disabled pupils, staff, parents, carers and other school users.

In relation to your school, briefly set out or refer and link to something else that explains:

- We aim to use technology to improve access to learning
- We hope to provide positive role models within collective worship and lessons

Racial Equality Duties and Community Cohesion

We recognise that people of Black, Asian and Minority Ethnic (BAME) origin experience discrimination based on colour, race, nationality, religion, and ethnic origin. Racial harassment and violence are the most serious consequences of racism, damaging people emotionally and physically and limiting life choices and opportunities.

To ensure this school takes all necessary steps to prevent and tackle racial harassment and to help people of BAME origin live free from harassment, feel safe and enjoy and achieve throughout their education or working life at our school, we will take steps to:

- keep accurate records of all groups of faith or ethnicity, their backgrounds and needs and how we respond to them;
- encourage dialogue between different racial groups on the suitability of our educational provision;
- prevent racial discrimination, and promote equality of opportunity and good relations between members of different racial, cultural and religious groups;
- encourage pupils and their families of all ethnic groups to participate fully in all aspects of school life;
- use our support for the voluntary and community sector to promote good race relations;
- counter myths and misinformation that may undermine good community relations;
- ensure our staff and other adults working in our school, pupils and their families, as well as our partners and the wider community fully understand the principles of good race relations.
- Through special lessons, positive role models and assemblies
- Working with parents and families to create improve understanding and practice

3. Sex and Gender Reassignment Equality Duties

We are committed to combating sex discrimination and sexism and promoting the equality of women and men, and boys and girls.

We are also committed to ensuring the rights under the Equality Act of people undergoing gender reassignment (defined as applying to anyone who is proposing to undergo, is undergoing, or has

undergone a process or part-process, for the purpose of reassigning their sex by changing physiological or other attributes). This means that in order to be protected under the Act, pupils or staff will not necessarily have to be undertaking a medical procedure to change their sex but must be taking steps to live in the opposite gender or proposing to do so. So far, the law has not acknowledged non- binary or genderless individuals, but we want to act appropriately to safeguard and include all members of our communities.

We will give due regard to the need to:

- eliminate unlawful discrimination, harassment, and victimisation on the grounds of sex or gender reassignment, including domestic violence, sexual violence, bullying, and exploitation;
- promote equality of opportunity between women and men in all our functions;

In relation to your school, set out briefly:

- Avoidance of gender stereotypes
- The results of the Single Status equal pay scheme for your school in relation to sex
- Gender-based violence and domestic violence are tackled responding to victims needs which are assessed and met
- Following the PSHE Association Curriculum – Year 6
- Using non-stereotypical materials, resources and books

4. Religion and Belief Equality Duties

This school recognises that people can face discrimination because of attitudes in society towards the religion, faith, or belief they hold or faith community they belong to. Faith-based hate crime has a character that is distinct from race-based hate crime. We also recognise that a person's religious (or similar) beliefs may mean that they have different needs, demands and expectations, which require flexibility. We understand this means we must assess the impact that our policies, functions and procedures have on promoting equality for people based on their religion, belief or non-belief.

5. Sexual Orientation Equality Duties

This school is committed to combatting unlawful discrimination, harassment and victimisation faced by people who are lesbian, gay, bisexual, transgender, or questioning (LGBTQ or LGBT+) and we aim to ensure equality of opportunity in education, services, and employment.

We will respect the rights of individuals to be open about their sexual orientation, tackle homophobia, challenge stereotyping and improve knowledge about LGBTQ communities, both inside the community and across wider society.

We are committed to taking a proactive approach to preventing all forms of homophobia in the school community and will assess the impact of our policies, functions and procedures on promoting sexual orientation equality as part of the Equality Impact Assessment process.

- All homophobic bullying, language and stereotypes in school will be challenged

6. Pregnancy and Maternity Equality Duties

This school is committed to ensuring that staff who are pregnant or have recently given birth are protected from both direct and indirect discriminatory practices, disadvantage and unfavourable treatment.

7. Publication of the Single Equality Scheme

Our Single Equality Scheme (Part 1) is published in English and in pdf format with our Report (Part 2) and our Objectives Action Plan (Part 3) on our school website. A printed copy is available on request from the school office. It can also be made available in other formats e.g. another language, or braille.

We update and re-publish the detail of our Scheme (Part 1) as necessary, Part 2 annually to account for the September intake or staffing changes and how they affect diversity in school, and Part 3 no less than every 4 years. We will also review Part 3 in brief annually in light of our new Part 2 to ensure our longer-term goals remain relevant.

8. Complaints

Equality in Teaching and learning

We provide all our pupils with the opportunity to succeed and to reach the highest level of personal achievement.

We do this by:

- **Ensuring equality of access for all pupils and preparing them for life in a diverse society**
- **Using materials that reflect the diversity of the school, population and local community without stereotyping**
- **Promoting attitudes and values that challenge any discriminatory behaviour or prejudice**
- **Providing opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures**
- **Seeking to involve all parents in supporting their child's education**
- **Utilising teaching approaches appropriate for the whole school population which are inclusive and reflective of our pupils.**

- **Under the Equality Act 2010, there are 9 protected characteristics which are; age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation**

Representation Matters

Books can be used as mirrors, windows, and sliding glass doors

Windows

Can provide windows to see other people's lives - with different lived experiences.

Sliding glass doors

Can take children into & out of different situations, helping them imagine themselves with a different future than they had previously.

Mirrors

Can mirror a child's lived experiences by seeing themselves represented. This validates their experiences.

"All our children have the right to see themselves reflected in the stories available to them. Diversity is more than just seeing yourself reflected in the world of literature, it's about others being able to see you too. Every child should have a voice. No child should be invisible."
